Welcome to Freedom Festival 2023!

We are thrilled you are joining us for what promises to be an unforgettable celebration of art, culture and community. Curated by out-going Artistic Director, Mikey Martins, we proudly present a family-friendly festival that will enchant, move and inspire you. Under Mikey's leadership, the festival has gained an international reputation for commissioning and presenting world-class work. We know you will join us in thanking him from the bottom of our hearts for taking us on an incredible journey.

We believe that art and culture should be enjoyed by everyone and are committed to keeping as much of the festival free and accessible to all as we can. This however is becoming more challenging. Thanks to the support of our core funders, sponsors, and creative partners, we can continue to offer a completely free outdoor programme. However, to help us protect this for future years, it's crucial we receive further support.

Your presence at the festival is a testament to the power of community and shared experiences. Together, we can ensure that the spirit of freedom and creativity continues to thrive in our city.

If you love what you experience during this festival and are able to, please do donate.

Thank you for your continued support and enjoy the festival!
